

SENSORY EXPLORATION SESSION FOR INFANTS

IN-PERSON WORKSHOP

Join [Neema](#) to learn about the importance of raising children with sensory rich experiences and how to stimulate all their senses using different materials to promote learning.

In this session you will:

- discover with your child a variety of sensory materials and engage in sensory activities that promote development
- learn how to make homemade sensory toys and activities yourselves for you and your child to continue the learning and fun at home.
